

The Meadows Golf and Country Club

The Meadows is the largest public golf and country club in Eastern Ontario, conveniently located in the south end of Ottawa. Our beautiful 36-hole golf course consists of four 9-hole courses that can be intertwined with one another, giving our players a diversity of options to enhance their experience. Our facility offers a chipping green, a putting green, a driving range, and all the amenities needed for a fabulous round of golf.

The clubhouse has the space to host some of the largest golf tournaments in the city. With a capacity to seat 320 people, our salons are also well suited for weddings, social events and corporate meetings. Our restaurant offers a full menu with the capacity for over 100 people. A large outdoor patio provides a picturesque backdrop perfect for relaxing after a round of golf.

The St. Anne golf committee would like to thank the staff of the Meadows for their hospitality and able assistance in the many aspects of organizing and running the tournament, in particular Nickie Osterkruger, Events Coordinator, and Krista Service, Food and Beverage Manager.

Restoration of St. Anne Church

St. Anne Church, consecrated in 1873, was designed by Québec architect Joseph-Pierre-Michel Lecourt (1824-1913). Built of locally quarried stone in a style reminiscent of earlier, small country churches in Quebec, St. Anne quickly established itself as the heart of the Lower Town East francophone community.

The church is a historically significant heritage building renowned for its beautiful stained glass windows installed in 1908 and its magnificent pipe organ built by Casavant Frères of St. Hyancithe, Quebec, and installed in 1914. Since 2012, St. Anne's has been home to St. Clement Parish, which has undertaken significant renovations to restore the church to its former grandeur. The work includes the installation of a metal roof, the repointing of the exterior stone, repairing the stained glass windows, upgrading the organ, and restoring the sanctuary.
